**PENSIONERS** were entertained by bell ringers at an annual concert.

The Finchampstead Bell Ringers invited the residents of care homes in Finchampstead, Crowthorne and Slough to their performance on Thursday, July 29.

More than 70 people listened to the five pieces, which were followed by a

sing-a-long and afternoon tea at St James' Church Centre in Church Lane, Finchampstead. Bell ringer Sally Hamblin said: "It was a very successful afternoon. I have already had a call from one of the care homes saying what a wonderful time they had."

The Finchampstead Bell Ringers are starting a group for youngsters

aged nine to 16 years. It will meet weekly on Wednesdays from 7-8pm at the community centre at Finchampstead Baptist Church in Gorse Ride North, Finchampstead.

The group's first meeting is on Wednesday, September 15.
