## Cheeses please at fine wine evening

MEMBERS of a Finchampstead church tucked into cheese and sipped their wine as part of a Patronal Festival Week.  
St James' Church in Church Lane held a series of events starting on Sunday, July 18, to mark the festival.  
This included a cheese and wine evening on Wednesday, July 21, when visitors could see a display of church archives and take a closer look at the refurbishment of the building and plans for the future.  
A flower festival also took place on Friday, July 23, and Saturday, July 24.
