

Church greets US visitors

FINCHAMPSTEAD parishioners are looking forward to welcoming special guests from across the pond when an American choir arrives in the village.

The Milton Vermont Choir will be arriving at St James' Church in Church Lane today (Wednesday) for a week-long

visit as part of their UK tour.

Members of the church congregation are opening their homes to the choir singers who will be staying with local families during their visit.

They will then be leaving Finchampstead on Tuesday, October 12, to travel to Cornwall, London and Scotland.
