### **Lunch marks life of Union founder**

A CELEBRATION lunch was held in honour of the founder of the Mothers' Union.

The Finchampstead and California branch of the charity held a bring-and-share lunch on Thursday last week to remember Mary Sumner, who started the movement in the late 19th century.

The lunch and a raffle were held at St James' Church Centre in Church Lane, Finchampstead. A small entry fee was charged to raise money for the charity's Away From It All scheme providing holidays for families under stress.
