Hotwired for sound at whodunnit

Hotwire perform at Finchampstead's Contrast Youth Group whodunnit with a difference.

MEMBERS of Contrast Youth Group provided entertainment with a difference for villagers in Finchampstead Memorial Hall.

Youth band Hotwire, who are members of the youth club, performed a drama with a modern nativity and Cluedo-style whodunnit on December 8.

Rev Julie Ramsbottom, Rector for the parish of Finchampstead and California, thanked the youth group, its leader and helpers for their tremendous hard work in providing yet another excellent production.

She said: "It has been a great evening out, with superb

entertainment and some fantastic food.

"What a wonderful start to the season's celebrations."

Although entry was free, the youth club collected £230 in donations toward projects and sponsorship of a child in Thailand's Mercy Centre.
