

Intercessions for Sunday 14th June 2020

Father God,
your son taught us to love our neighbour,
and to care for those in need
as if we were caring for you.

Thank you for all those people who work in caring professions, who risk their own safety to look after others. For all those who work in key worker roles of any sort. Please protect them, aid them to get the protection equipment they need. Bring peace to those who are fearful that they may have been infected.

We praise you for all those who reach out to us. Our friends, neighbours and families. Thank you for this age of technology where we can see and hear our loved ones, leaders and ministers.

Sustain and support the anxious and fearful,
and lift up all who are brought low;
Be with all those who are alone, lonely and fearful.
Bring peace and comfort to the anxious and depressed.
